

The Indian Summer Cluster Committee regretfully announces that our four (4) day event for September 10-13, 2020 in Lebanon, IN, is being cancelled due to the probable loss of our site. From early June, we had hoped that Covid 19 cases would level off, and considerable planning has been done in an attempt to insure the safety of all, but, our geographic area is now in a hot spot, with the numbers likely going up as 2 major Universities with a combined 80,000 students are due in the area shortly.

We have delayed posting the Premium list and have decided, to be fair to everyone, the safest option is to Cancel our 2020 Event

We thank everyone who has helped in planning these shows, with special thanks going to Jack Jones, the Fairgrounds Manager, whose assistance is invaluable, to the Judges on our Panel and to all of the exhibitors who have supported us.

We love doing this and we want you back September 2021.

Sandy Dukes, Cluster and GLKC Show Chair

Sandra Bingham-Porter, Danville,IL KC, Show Chair

Kay Keck, Bloomington, IN KC Show Chair
